29 MAR 1932

Dear Sir,

It is the intention of His Highness the Maharaja Saheb of Bhavnagar to have replanned a part of the Palace Gardens here; and I was desired by His Highness to obtain the services of Mr. H.C.Javaraya, Superintendent Govt. Gardens of Lal Bagh, Bangalore, as His Highness had seen the gentleman during his visit to Bangalore in October last. The services of Mr.Javaraya would be required for 15 days in which time he could see the place and make plans which would be executed by our own Garden Superintendent here.

I wrote to Mr. Javaraya in this connection and in his reply he says :-

" I expect that my travelling charges, double first (which will cover also my incidental expenses during the journey and a single third class for a servant, will be paid. It is customary that when an officer is allowed to take up work outside the State, he should credit his pay for the period of absence from here to this Government, so that you have to bear that cost which in this case will be at Rs.640/- per month. I note that I shall be treated as State guest and I presume a conveyance will be provided for me there. ---------

" If you approve of what I have said above, you may kindly address the Chief Secretary to the Government of Mysore, Bangalore in this matter".

I shall be grateful if you will kindly confirm the above and grant the necessary leave to Mr. Javaraya, so that he may come here as early as it may be possible.

I shall be glad if you will let me hear from you as early as it may be possible. You will, of course, be treated as a State guest here, and I shall thank you to let me know, of other charges in connection with your visit. It is hoped that you will be able to make it convenient to come.

Sir,

I have the honour to acknowledge receipt of your letter No.3687/C.B.119-31-2 dated the 2nd instant with reference to the services of Mr. H.C. Javaraya being lent to the Bhavanagar State. I see no objection to their request being granted and it should be quite possible for Mr. Javaraya to make a study of the conditions and make a plan within the time specified. It is possible that owing to different climatic conditions prevailing in Bhavanagar and to the fact that apparently only one part of the garden is to be replanned that there may be some slight difficulty in the preparation of the plan; but Bhavanagar Durbar could be told that, if they desire, the plan may be sent to me for inspection when I could then give them a note suggesting some modifications if necessary.
